Discipline Agreement

Discipline is an essential teaching part of the classroom and is not viewed as punishment. Discipline is used to help children learn self control, to help develop their self-esteem and a regard for and acceptance of others in the classroom.

Discipline will be consistent and age appropriate.

Discipline will include positive guidance, redirection, and clear limits that encourage the child's ability to become self-disciplined.

When redirection is not working at a particular time for a child, time out will be employed. (Time out is a non-solitary separation of one child from the group.)

Discipline will guide the children to resolve conflicts and will model skills that help children to solve their own problems.

Physical punishment, humiliation, fright or other coercive strategies are not permitted.

Withdrawal of food, rest or bathroom privileges are not permitted. Any type of emotional manipulation is also strictly prohibited.

I, the parent/guardian of the child named in this application, have read the above and agree to support Power And Grace's program in its disciplinary policies.
