

# Power And Grace Preparatory Academy Parent Volunteer Sheet

Your involvement will catapult your child's success here at Power and Grace. You are encouraged to participate in our Parent Teacher Fellowships. This fellowship is an effort to demonstrate partnership with out teachers and parents. Your support and participation in school programs and/or activities is essential and is expected. Parents can help us to achieve the goal of providing a quality Christian education for all our students by working together closely with our faculty and staff. Children learn, grow, and excel through your participation.

Please check those areas in which you would be interested in volunteering your time to assist the school. Your participation is always welcomed. Power and Grace requires parents to commit to 20 volunteer hours during a school year. To fulfill hours you can volunteer in more than one way:
